DEPARTMENT OF THE INTERIOR,

UNITED STATES INDIAN SERVICE,

Cheyenne and Arapaho Indian Agency,

Darlington, Oklahoma, November 27, 1900.

The Honorable

Commissioner of Indian Affairs,

Washington, D. C.

Sir:

I have the honor to forward a copy of the CENSUS of the Cheyenne and Arapaho tribes for the fiscal year Nineteen hundred.

The population as shown by the Statistical Report is somewhat at variance with that shown by the census; but this is due to the fact that in writing the latter the names of the living only were considered, while in the former those who had recently died and whose names were borne on the Annuity Pay-Roll were counted.

There has been an unusual amount of work in this office during the year, and it was impossible to accomplish this task sooner with the help available.

Very respectfully,
Your obedient servant,

Major U. S. A.,
U. S. Indian Agent.
